

You've Come to the Right Place for

NFIP Flood Insurance

North Sea Insurance Company is a participant in the Write-Your-Own (WYO) program representing the National Flood Insurance Program (NFIP). Our participation affords you, our broker, the highest level of service for your Personal and Commercial flood insurance needs.

Due to its specialized nature, all flood insurance written with North Sea is issued and serviced by our flood processing center, National Flood Services, Inc. (NFS). This internet-based system includes:

- Electronic application submission
- On-line policy quoting and application completion
- Policy maintenance
- Electronic payment options of premium and commission funds (ACH/Credit Card)
- On-line claims reporting
- Production reports
- User account management
- Flood zone determinations
- E-Delivery options

Here's how it works:

The program is open to all North Sea appointed brokers. Obtain a Producer Code and PIN by calling **(866) 796-7582** or completing/submitting the form below. Then, **visit our website at www.north-sea-ins.com/Products/flood.htm**, click on the link to NFS On-Line Policy Processing System, and follow the directions to establish a new user account.

Full payment is due at binding. If you are not using an online payment option to bind coverage, please complete, print and sign two (2) copies of the Flood Application, and mail it along with a check payable to **North Sea Insurance Company** to: **Flood Insurance Processing Center, PO Box 2057, Kalispell, MT 59903-2057.**

Policies are effective 30 days after binding. Commission is 15%.
